Fort William, Home Department, Legislative,
the 30th April 1852.

The following Act, passed by the Governor General of India in Council, on the 30th April 1852, is hereby promulgated for general information:

ACT No. XXII. OF 1852.

To avoid doubts as to the validity of certain decisions in summary suits for arrears of rent, and of certain sales of Putnee Talooks and other saleable tenures.

Whereas by Regulation VIII. of 1831 of the Bengal Code the hearing and decision of summary suits or claims relating to arrears or exactions of rents were transferred from the Judges of the Zillah or City Courts to the Collectors of the several Districts; and whereas, by Regulation VII. of 1832 of the Bengal Code, the superintendence of the sales of Putnee Talooks and other saleable tenures of the class specified in Clause 1, Section VIII. Regulation VIII. of 1819 of the same code, was transferred to the Collector or Deputy Collector of Land Revenue, or Head Assistant to the Collector or Deputy Collector, subject to an appeal as therein provided; and whereas by Act VIII. of 1835 the conduct of sales of Talooks or other saleable tenures in execution of summary decrees for rent, in conformity with Regulation VII. of 1799 of the same Code, was transferred to the Collectors of Land Revenue; and whereas doubts have been entertained in some instances as to the District within which such summary suits or claims should have been decided, and such sales made, by reason that the jurisdiction of the several Zillah and City Courts is not conterminous with the jurisdiction of the several Collectors of Land Revenue, It is enacted as follows:

I. No order or decision already made in any such summary suit, and no such sale as aforesaid, already made, which has not been questioned before a Court of competent judicature before the passing of this Act, on the ground of having been decided or made by a Collector of Land Revenue,

his deputy or duly authorized assistant, having no jurisdiction therein, shall be liable to be annulled or disputed on that ground.

"Para. 16. By the G. O. of the 19th July 1822, it is declared 'that the attendance of Medical Officers in their professional capacity on the families of the Officers of the Corps to which they are attached, is an imperative part of the duty to be performed by them,' and that this order 'is applicable to Medical attendance by Presidency Surgeons, Garrison Surgeons and Staff Surgeons of Stations, on the Officers of the Army and their families, who may make application to them for professional advice.' Letter dated 10th Nov. 1851, No. 180.
Report the payment by the Bombay Government of the usual Charter Party allowance for the passage to England of the Wives of two Invalids who proceeded home in private service. Government did not deem it advisable to refuse to admit the charge, but they request instructions with a view to uniformity of practice both as respects Wives who may not proceed with their Husbands and also as to Widows.

Soldiers who accompany their Husbands to England, should not be granted to those who, in consequence of being in private service, do not embark with their Husbands. If from any other cause beyond their control, they shall not be able to accompany their Husbands, their claim to the Charter Party Allowance, when the impediment has ceased, should be admitted.

"3. The Widows of Soldiers cease to draw the Government allowance at the expiration of six months from the date of the Soldier's decease. If embarking within that time, they are entitled to the usual Charter Party allowance. If they voluntarily remain in India after that time, their claim to passage-money should cease. If detained by any cause beyond their own control, their claim to passage-money, at the subsequent time, must be specially considered.

"4. We desire that these, as general rules, may be adhered to hereafter at the three Presidencies."

No. 317 of 1852.—With reference to Government General Order, No. 602, of the 14th November 1851, the following decisions, in cases of fraudulent acts by persons on the Pension Establishment, are notified:

Shaiick Eezad Allie, Pensioner, late Sepoy 5th Company 37th Regiment Native Infantry, gave false evidence before a Committee for investigating claims to Family Pension, in consequence of which false evidence a woman named Mevrah Beebee procured admission to the Family Pension as "Noor Beebee," the mother of a Sepoy.

No. 333 of 1852.—The Governor General of India in Council has the greatest satisfaction in publicly announcing that the 3rd and 4th Regiments of Sikh Local Infantry, and the Ramgarh Light Infantry Battalion, together with the Cavalry and Artillery attached to it, have come

forward voluntarily and entirely of their own accord, to proffer their services for employment beyond sea, in Burmah.

It has afforded the Governor General in Council the highest gratification to observe the soldierly feeling displayed by these Regiments, in thus volunteering for foreign service, and considering that these are local Regiments, engaged to serve within certain assigned limits, his Lordship in Council recognizes as doubly meritorious the spirit which has led them to ask leave to pass, not their own limits only, but those also of the Company's Territories, and to proceed by sea to the seat of war.

Should the war with Burmah be prolonged, and should distance and other considerations not prove to be impediments, the Governor General in Council will very gladly employ these Regiments, and with the most entire confidence in the gallantry and efficiency with which they will discharge their duty in the field.

These Regiments have been thus prominently mentioned, because the offers of their services were the earliest received by Government. But it is with the most cordial satisfaction, that the Governor General in Council is further enabled to notify for public information, that the 33d, the 37th and the 10th Regiments of Native Infantry, as well as the Regiment of Loodianah, have all come forward in the most creditable and soldier-like manner, eager to be the first to request that they may be employed on foreign service and sent by land or by sea to Burmah.

These four Regiments have set an honorable example to their comrades of the Line; and while accepting their loyal offer of service, the Governor General in Council assures them, that, should occasion arise, they shall have afforded to them the opportunity of evincing in Burmah that spirit and devotion to their duty, which their coming forward in the way they have done, abundantly proves them to possess.

Whereas it is desirable that the mode of procedure in original suits in the Courts of the Sudder Ameens and Moonsiffs in the Presidency of Fort William in Bengal, should be assimilated to the mode of procedure in such suits in the Courts of the Judges and Principal Sudder Ameens, and whereas it is desirable to extend to Principal Sudder Ameens power to issue an injunction for the revision of an original decision according to Clause 2, Section II., Regulation IX. 1831, in regard to appeals referred to them, It is hereby enacted as follows:

I. Sections XIX., XXI., XXII., XXIV., XXVII., XXIX., XXXV. and XXXVII., Regulation XXIII. 1814, and Clauses 1, 2, 3 and 5, Section XXV. of the same Regulation, and Section LXXIII. of the same Regulation, so far as it extends Clauses 1, 2, 3 and 5, Section XXV. and Section XXXV. of the same Regulation to Sudder Ameens, Clause 5, Section V., and Clause 3, Section XV., Regulation V. 1831, and so much of Clause 3, Section VIII. of the said Regulation V. 1831, as relates to the Clauses and Sections of Regulation XXIII. 1814, hereinbefore mentioned, and Section VI. of the said Regulation V. 1831, except in so far as it rescinds Sections LVII., LVIII., and LIX. of the said Regulation XXIII. of 1814, are hereby repealed.

II. All laws and rules now in force relating to the mode of procedure in the trial and decision of original Civil Suits in the Courts of the Judges and Principal Sudder Ameens, shall also apply to, and regulate the mode of procedure in the trial and decision of original Civil Suits in the Courts of the Sudder Ameens and Moonsiffs.

III. Sections XIII. and XXI. Regulation III. 1793, Sections VII. and XI., Regulation VII. 1795, Sections XVII. and XIX., Regula-

tion II. 1803, Sections VIII. and IX. Regulation VII. 1832, as extended by Act XXI. 1850, shall be applicable to suits and cases in the Courts of the Moonsiffs. Clause 2, Section IV., Regulation XXVI. 1814, relating to reviews of judgment shall also be applicable to the Courts of Sudder Ameen and Moonsiffs. Provided always, that if a Sudder Ameen or Moonsiff shall be of opinion that a review of his judgment ought to be granted, he shall report the case to the Judge, who is hereby authorized to permit such review under the same rules as are prescribed by the existing Regulations with respect to similar applications to the Court of Sudder Dewanny Adawlat.

IV. Every Sudder Ameen and Moonsiff shall have power and authority to try suits in which any Vakeel or Officer of his Court is a party, anything in Section VIII., Act VI. 1843, and in Clause 2, Section XV., Regulation V. 1831 to the contrary notwithstanding; and suits under Clause 1, Section XXX., Regulation II. 1819 may be referred to them by the Zillah Judge for trial and decision under the restrictions as to local jurisdiction and value of property mentioned in Clauses 1, 2 and 3, Section V., and Clause 2, Section XV., Regulation V. 1831.

V. Nothing in this Act contained shall be construed so as to repeal or otherwise affect the rules regarding the dispensing with the use of stamp paper on certain documents in the Courts of the Moonsiffs contained in Clause 2, Section IX., Regulation V. 1831, or the rules for procuring the attendance of witnesses in the Courts of the Moonsiffs contained in Section II., Act XVII. 1845.

VI. Applicants for execution of decrees may file with their petitions an authenticated copy of the decree of which execution is sought to be taken out, and in such case it shall not be necessary to compare the petition with the decree contained in the original record of the suit, anything in Clause 7, Section XV. Regulation XXVI. 1814 to the contrary notwithstanding.

VII. Original suits referred to a Sudder Ameen under Clause 2, Section XV., Regulation V. 1831, shall be tried and determined in conformity with the Provisions of Regulation XXIII. 1814, and of this Act, anything in Clause 3, Section XV., Regulation V. 1831, to the contrary notwithstanding.

VIII. Nothing in this Act contained shall be construed to affect the mode of procedure in any case pending in the Courts of the Sudder Ameen and Moonsiffs at the time of the passing of this Act, but the mode of procedure in all such cases shall be governed by the law in force previous to the passing of this Act.

IX. The powers given to Zillah and City Judges, by Act VII. 1838, to issue an injunction for the revision of an original decision which has been found erroneous or insufficient according to Clause 2, Section II., Regulation IX. 1831, are extended to Principal Sudder Ameen in regard to all appeals referred to them.

X. This Act shall be deemed to extend only to the Bengal Presidency, and to refer only to the Regulations of the Bengal Code.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

Fort William, Home Department, Legislative,
The 21st May, 1852.

The following Draft of a proposed Act was read in Council for the first time on the 21st of May 1852.

Act No. — of 1852.

An Act for the prevention of gambling in the Settlement of Prince of Wales' Island, Singapore and Malacca.

Whereas the vice of gambling has much increased, and many gaming houses have been established within the several stations of the Settlement of Prince of Wales' Island, Singapore and Malacca, for suppression of which the laws now in force are inadequate, It is enacted as follows:

I. Every person who within the Settlement of Prince of Wales' Island, Singapore and Malacca, shall keep a common gaming house, or any room or other place used for the purposes of a common gaming house, or who shall have the care or management thereof, or shall in any manner conduct the business of any such common gaming house, either as banker, shroff, croupier or otherwise, shall, on conviction before the Court of Quarter Session of the said Settlement, be punishable by imprisonment, with or without hard labor, for any term not exceeding six calendar months, or, in the discretion of the Court, to a fine not exceeding five hundred dollars, and in default of payment of such fine where a fine shall be imposed, the offender may be imprisoned by the said Court, with or without hard labor, either in the House of Correction or Her Majesty's Jail for any period not exceeding six calendar months.

II. In default of other evidence proving any house, room or place to be used as a common gaming house, it shall be enough, in support of the allegation in any charge, that any house, room or place is a common gaming house, to prove that such house, room or place is kept or used for playing therein at cards, dice, poh, or any unlawful game, and that a bank is kept there by any one or more of the players exclusively of the others, or that the chances of any game

played therein are not alike favorable to all the players, including among the players, the banker or other person by whom the game is managed, or against whom the other players stake, play or bet; and every such house, room or place shall be deemed a common gaming house.

III. Every person who shall be found in any such common gaming house playing or gaming with cards, dice, counters, poh, money, or other instruments of gaming, or who shall be found there present during such playing or gaming, or for the purpose of gaming, or who shall be found gaming with cards, dice, counters, poh, money or other instruments of gaming in any public street, place or thoroughfare within the said Settlement, whether playing for any money, wager, stake or otherwise, shall be punishable on conviction before the Court of Quarter Session of the said Settlement, by imprisonment for any term not exceeding three calendar months, or, in the discretion of the said Court, by fine not exceeding two hundred dollars, and in default of payment of such fine may be imprisoned by the said Court, with or without hard labor, either in the house of correction or in Her Majesty's Jail for any period not exceeding three calendar months.

IV. Any Justice of the Peace of the said Settlement, upon information laid before him on oath that there is reason to suspect any house, room or place within the said Settlement to be used as a common gaming house, may, by his warrant, give authority to any peace officer of the said Settlement to enter, with such assistance as may be found necessary, by night or by day, and by force if necessary, any such house, room or other place, and to take into custody all persons whom he finds therein whether or not then actually gaming; and to seize all instruments of gaming, and all monies and securities for money found therein; and to search all parts of the house, room, or place which he shall have so entered, when he has reason to believe that any instruments of gaming are concealed therein, and to search also the persons of those whom he so takes into custody, and to seize and take possession of all cards, dice, pohs, counters and other instruments of gaming which he shall find upon such search.

V. When any cards, dice, pohs, gaming table or cloth, board or other instruments of gaming are found in any house, room or place, of which information has been given on oath to a Justice of the Peace that it is suspected of being used as a common gaming house, or about the person of any of those who are found therein, it shall be evidence, until the contrary is made to appear, that such house, room or place is used as a common gaming house, and that the persons found therein were there present for the purpose of gaming, although no play was actually seen by the peace officer, or any of his assistants.

VI. On conviction of any person for keeping, or being present for the purpose of gaming, in any such common gaming house, all the instruments of gaming found therein shall be destroyed by order of the Court of Quarter Session, which shall also order all or any of the securities for money and other articles seized, not being instruments of gaming, to be sold and converted into money, and the proceeds thereof, with all monies seized therein, to be forfeited; or, in its discretion may order any part thereof to be returned to the parties appearing to have been severally thereto entitled.

VII. Any officer of police may arrest without warrant all persons whom he may see in the act of gaming in any public street, place or thoroughfare in the said Settlement, and seize all cards, dice, pohs, counters and instruments of gaming which he finds in their possession, which, on conviction of any of the parties, shall be forfeited.

VIII. It shall not be necessary in order to convict any person of keeping a common gaming house, or of being concerned in the management of any common gaming house, to prove that any person found playing at any game was playing for any money, wager or stake.

IX. Any person who shall have been concerned in any unlawful gaming, and who shall be examined as a witness before the said Court of Quarter Session on the trial of any person or persons for a breach of any of the provisions of this Act, and who upon such examination shall make true and faithful discovery, to the best of his or her knowledge, of all things as to which he or she shall be so examined, and who shall thereupon receive from the said Court a certificate in writing to that effect, shall be freed from all prosecutions under this Act for any thing done before that time in respect of such unlawful gaming.

X. Nothing in the foregoing provisions of this Act contained shall be held to apply to any game of mere skill played at licensed hotels, taverns or eating houses, or places of public resort within the said Settlement.

XI. Every person who shall, by any fraud, or unlawful device or ill practice in playing at or with cards, dice, or other game, or in bearing a part of the stakes, wagers or adventures, or in betting on the sides or hands of them that do play, or in wagering on the event of any game, sport, pastime or exercise, win from any other person, for himself, or any other or others, any sum of money or valuable thing, shall be deemed guilty of obtaining such money or valuable thing from such other person by a false pretence, with intent to cheat or defraud such person of the same, and, being convicted thereof, shall be punished accordingly.

XII. No conviction or other proceeding before the said Court of Quarter Sessions under this Act shall be quashed, reversed or set aside, or adjudged void or insufficient for want of form, or be removed by Certiorari into Her Majesty's Supreme Court.

XIII. The Court of Quarter Session shall on conviction have power to direct any portion, not exceeding one-fourth of any fine which shall be levied under the provisions of this Act, or any part of the monies or proceeds of articles seized in any common gaming house and ordered to be forfeited, to be paid to an informer, and the balance of such fines and monies, or the whole thereof as the case may be, shall be applied to the use of the municipal fund of the station within the said Settlement at which the same shall have been taken.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 21st day of August next.

Fort William, Home Department, Legislative,
The 21st May, 1852.

The following Draft of a proposed Act was read in Council for the first time on the 21st of May 1852.

Act No. — OF 1852.

An Act for the prevention of gambling in the Settlement of Prince of Wales' Island, Singapore and Malacca.

Whereas the vice of gambling has much increased, and many gaming houses have been established within the several stations of the Settlement of Prince of Wales' Island, Singapore and Malacca, for suppression of which the laws now in force are inadequate, It is enacted as follows :

I. Every person who within the Settlement of Prince of Wales' Island, Singapore and Malacca, shall keep a common gaming house, or any room or other place used for the purposes of a common gaming house, or who shall have the care or management thereof, or shall in any manner conduct the business of any such common gaming house, either as banker, shroff, croupier or otherwise, shall, on conviction before the Court of Quarter Session of the said Settlement, be punishable by imprisonment, with or without hard labor, for any term not exceeding six calendar months, or, in the discretion of the Court, to a fine not exceeding five hundred dollars, and in default of payment of such fine where a fine shall be imposed, the offender may be imprisoned by the said Court, with or without hard labor, either in the House of Correction or Her Majesty's Jail for any period not exceeding six calendar months.

II. In default of other evidence proving any house, room or place to be used as a common gaming house, it shall be enough, in support of the allegation in any charge, that any house, room or place is a common gaming house, to prove that such house, room or place is kept or used for playing therein at cards, dice, poh, or any unlawful game, and that a bank is kept there by any one or more of the players exclusively of the others, or that the chances of any game played therein are not alike favorable to all the players, including among the players, the banker or other person by whom the game is managed,

or against whom the other players stake, play or bet ; and every such house, room or place shall be deemed a common gaming house.

III. Every person who shall be found in any such common gaming house playing or gaming with cards, dice, counters, poh, money, or other instruments of gaming, or who shall be found there present during such playing or gaming, or for the purpose of gaming, or who shall be found gaming with cards, dice, counters, poh, money or other instruments of gaming in any public street, place or thoroughfare within the said Settlement, whether playing for any money, wager, stake or otherwise, shall be punishable on conviction before the Court of Quarter Session of the said Settlement, by imprisonment for any term not exceeding three calendar months, or, in the discretion of the said Court, by fine not exceeding two hundred dollars, and in default of payment of such fine may be imprisoned by the said Court, with or without hard labor, either in the house of correction or in Her Majesty's Jail for any period not exceeding three calendar months.

IV. Any Justice of the Peace of the said Settlement, upon information laid before him on oath that there is reason to suspect any house, room or place within the said Settlement to be used as a common gaming house, may, by his warrant, give authority to any peace officer of the said Settlement to enter, with such assistance as may be found necessary, by night or by day, and by force if necessary, any such house, room or other place, and to take into custody all persons whom he finds therein whether or not then actually gaming ; and to seize all instruments of gaming, and all monies and securities for money found therein ; and to search all parts of the house, room or place which he shall have so entered, when he has reason to believe that any instruments of gaming are concealed therein, and to search also the persons of those whom he so takes into custody, and to seize and take possession of all cards, dice, pohs, counters and other instruments of gaming which he shall find upon such search.

V. When any cards, dice, pohs, gaming table or cloth, board or other instruments of gaming are found in any house, room or place, of which information has been given on oath to a Justice of the Peace that it is suspected of being

used as a common gaming house, or about the person of any of those who are found therein, it shall be evidence, until the contrary is made to appear, that such house, room or place is used as a common gaming house, and that the persons found therein were there present for the purpose of gaming, although no play was actually seen by the peace officer, or any of his assistants.

VI. On conviction of any person for keeping, or being present for the purpose of gaming, in any such common gaming house, all the instruments of gaming found therein shall be destroyed by order of the Court of Quarter Session, which shall also order all or any of the securities for money and other articles seized, not being instruments of gaming, to be sold and converted into money, and the proceeds thereof, with all monies seized therein, to be forfeited; or, in its discretion may order any part thereof to be returned to the parties appearing to have been severally thereunto entitled.

VII. Any officer of police may arrest without warrant all persons whom he may see in the act of gaming in any public street, place or thoroughfare in the said Settlement, and seize all cards, dice, pawns, counters and instruments of gaming which he finds in their possession, which, on conviction of any of the parties, shall be forfeited.

VIII. It shall not be necessary in order to convict any person of keeping a common gaming house, or of being concerned in the management of any common gaming house, to prove that any person found playing at any game was playing for any money, wager or stake.

IX. Any person who shall have been concerned in any unlawful gaming, and who shall be examined as a witness before the said Court of Quarter Session on the trial of any person or persons for a breach of any of the provisions of this Act, and who upon such examination shall make true and faithful discovery, to the best of his or her knowledge, of all things as to which he or she shall be so examined, and who shall thereupon receive from the said Court a certificate in writing to that effect, shall be freed from all prosecutions under this Act for any thing done before that time in respect of such unlawful gaming.

X. Nothing in the foregoing provisions of this Act contained shall be held to apply to any game of mere skill played at licensed hotels, taverns or eating houses, or places of public resort within the said Settlement.

XI. Every person who shall, by any fraud, or unlawful device or ill practice in playing at or with cards, dice, or other game, or in bearing a part of the stakes, wagers or adventures, or in betting on the sides or hands of them that do play, or in wagering on the event of any game, sport, pastime or exercise, win from any other person, for himself, or any other or others, any sum of money or valuable thing, shall be deemed guilty of obtaining such money or valuable thing from such other person by a false pretence, with intent to cheat or defraud such person of the same, and, being convicted thereof, shall be punished accordingly.

XII. No conviction or other proceeding before the said Court of Quarter Session under this Act shall be quashed, reversed or set aside, or adjudged void or insufficient for want of form, or be removed by Certiorari into Her Majesty's Supreme Court.

XIII. The Court of Quarter Session shall on conviction have power to direct any portion, not exceeding one fourth of any fine which shall be levied under the provisions of this Act, or any part of the monies or proceeds of articles seized in any common gaming house and ordered to be forfeited, to be paid to an informer, and the balance of such fines and monies, or the whole thereof as the case may be, shall be applied to the use of the municipal fund of the station within the said Settlement at which the same shall have been taken.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 21st day of August next.

WEDNESDAY, JUNE 2, 1852.

Fort William, Home Department, Legislative,
The 21st May, 1852.

The following Draft of a proposed Act was read in Council for the first time on the 21st of May 1852.

Act No. — of 1852.

An Act for the prevention of gambling in the Settlement of Prince of Wales' Island, Singapore and Malacca.

Whereas the vice of gambling has much increased, and many gaming houses have been established within the several stations of the Settlement of Prince of Wales' Island, Singapore and Malacca, for suppression of which the laws now in force are inadequate, It is enacted as follows :

I. Every person who within the Settlement of Prince of Wales' Island, Singapore and Malacca, shall keep a common gaming house, or any room or other place used for the purposes of a common gaming house, or who shall have the care or management thereof, or shall in any manner conduct the business of any such common gaming house, either as banker, shroff, croupier or otherwise, shall, on conviction before the Court of Quarter Session of the said Settlement, be punishable by imprisonment, with or without hard labor, for any term not exceeding six calendar months, or, in the discretion of the Court, to a fine not exceeding five hundred dollars, and in default of payment of such fine where a fine shall be imposed, the offender may be imprisoned by the said Court, with or without hard labor, either in the House of Correction or Her Majesty's Jail for any period not exceeding six calendar months.

II. In default of other evidence proving any house, room or place to be used as a common gaming house, it shall be enough, in support of the allegation in any charge, that any house, room or place is a common gaming house, to prove that such house, room or place is kept or used for playing therein at cards, dice, poh, or any unlawful game, and that a bank is kept there by any one or more of the players exclusively of the others, or that the chances of any game played therein are not alike favorable to all the players, including among the players, the banker or other person by whom the game is managed,

or against whom the other players stake, play or bet ; and every such house, room or place shall be deemed a common gaming house.

III. Every person who shall be found in any such common gaming house playing or gaming with cards, dice, counters, poh, money, or other instruments of gaming, or who shall be found there present during such playing or gaming, or for the purpose of gaming, or who shall be found gaming with cards, dice, counters, poh, money or other instruments of gaming in any public street, place or thoroughfare within the said Settlement, whether playing for any money, wager, stake or otherwise, shall be punishable on conviction before the Court of Quarter Session of the said Settlement, by imprisonment for any term not exceeding three calendar months, or, in the discretion of the said Court, by fine not exceeding two hundred dollars, and in default of payment of such fine may be imprisoned by the said Court, with or without hard labor, either in the house of correction or in Her Majesty's Jail for any period not exceeding three calendar months.

IV. Any Justice of the Peace of the said Settlement, upon information laid before him on oath that there is reason to suspect any house, room or place within the said Settlement to be used as a common gaming house, may, by his warrant, give authority to any peace officer of the said Settlement to enter, with such assistance as may be found necessary, by night or by day, and by force if necessary, any such house, room or other place, and to take into custody all persons whom he finds therein whether or not then actually gaming ; and to seize all instruments of gaming, and all monies and securities for money found therein ; and to search all parts of the house, room or place which he shall have so entered, when he has reason to believe that any instruments of gaming are concealed therein, and to search also the persons of those whom he so takes into custody, and to seize and take possession of all cards, dice, pohs, counters and other instruments of gaming which he shall find upon such search.

V. When any cards, dice, pohs, gaming table or cloth, board or other instruments of gaming are found in any house, room or place, of which information has been given on oath to a Justice of the Peace that it is suspected of being

used as a common gaming house, or about the person of any of those who are found therein, it shall be evidence, until the contrary is made to appear, that such house, room or place is used as a common gaming house, and that the persons found therein were there present for the purpose of gaming, although no play was actually seen by the peace officer, or any of his assistants.

VI. On conviction of any person for keeping, or being present for the purpose of gaming, in any such common gaming house, all the instruments of gaming found therein shall be destroyed by order of the Court of Quarter Session, which shall also order all or any of the securities for money and other articles seized, not being instruments of gaming, to be sold and converted into money, and the proceeds thereof, with all monies seized therein, to be forfeited; or, in its discretion may order any part thereof to be returned to the parties appearing to have been severally thereunto entitled.

VII. Any officer of police may arrest without warrant all persons whom he may see in the act of gaming in any public street, place or thoroughfare in the said Settlement, and seize all cards, dice, pobs, counters and instruments of gaming which he finds in their possession, which, on conviction of any of the parties, shall be forfeited.

VIII. It shall not be necessary in order to convict any person of keeping a common gaming house, or of being concerned in the management of any common gaming house, to prove that any person found playing at any game was playing for any money, wager or stake.

IX. Any person who shall have been concerned in any unlawful gaming, and who shall be examined as a witness before the said Court of Quarter Session on the trial of any person or persons for a breach of any of the provisions of this Act, and who upon such examination shall make true and faithful discovery, to the best of his or her knowledge, of all things as to which he or she shall be so examined, and who shall thereupon receive from the said Court a certificate in writing to that effect, shall be freed from all prosecutions under this Act for any thing done before that time in respect of such unlawful gaming.

X. Nothing in the foregoing provisions of this Act contained shall be held to apply to any game of mere skill played at licensed hotels, taverns or eating houses, or places of public resort within the said Settlement.

XI. Every person who shall, by any fraud, or unlawful device or ill practice in playing at or with cards, dice, or other game, or in bearing a part of the stakes, wagers or adventures, or in betting on the sides or hands of them that do play, or in wagering on the event of any game, sport, pastime or exercise, win from any other person, for himself, or any other or others, any sum of money or valuable thing, shall be deemed guilty of obtaining such money or valuable thing from such other person by a false pretence, with intent to cheat or defraud such person of the same, and, being convicted thereof, shall be punished accordingly.

XII. No conviction or other proceeding before the said Court of Quarter Session under this Act shall be quashed, reversed or set aside, or adjudged void or insufficient for want of form, or be removed by Certiorari into Her Majesty's Supreme Court.

XIII. The Court of Quarter Session shall on conviction have power to direct any portion, not exceeding one-fourth of any fine which shall be levied under the provisions of this Act, or any part of the monies or proceeds of articles seized in any common gaming house and ordered to be forfeited, to be paid to an informer, and the balance of such fines and monies, or the whole thereof as the case may be, shall be applied to the use of the municipal fund of the station within the said Settlement at which the same shall have been taken.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 21st day of August next.
